10 4. Pomerantz LLP is the oldest securities litigation firm in the US and has extensive
11 experience in large and complex securities class actions. Since its founding in 1936, the Firm
12 has focused on securities-fraud class actions and derivative cases. For nearly 80 years, the Firm

14 million settlement against Comverse Technology, Inc., \$60 million of which was paid by
15 Comverse’s CEO. Pomerantz has won landmark decisions that expanded and protected investor
16 rights and initiated historic corporate governance reforms, including securing the rights of U.S.
17 and foreign institutions that purchased BP shares abroad to bring common law claims in U.S.

Securities Litigation

Significant Landmarks

On January 3, 2018, in a significant victory for investors, Pomerantz, as sole Lead Counsel for the class, along with Lead Plaintiff Universities Superannuation Scheme Limited (“USS”), achieved a historic \$2.95 billion settlement with Petróleo Brasileiro S.A. (“Petrobras”) and its related entity, Petrobras International Finance Company, as well as certain of Petrobras’ former executives and directors. On February 2, 2018, Pomerantz and USS reached a \$50 million settlement with Petrobras’ auditors, PricewaterhouseCoopers Auditores Independentes, bringing the total recovery for Petrobras investors to \$3 billion. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

The class action, brought on behalf of all purchasers of common and preferred American Depositary Shares (“ADSs”) on the New York Stock Exchange, as well as purchasers of certain Petrobras debt, principally alleged that Petrobras and its senior executives engaged in a multi-year, multi-billion-dollar money-laundering and bribery scheme, which was concealed from investors.

The settlement was achieved after nearly three years of hard-fought litigation, including U.S. and foreign discovery and complex motion practice before Judge Jed S. Rakoff, United States District Judge for the Southern District of New York; and an appeal before the United States Court of Appeals for the Second Circuit. Defendants also filed a petition for writ of certiorari with the United States Supreme Court.

In addition to the outstanding multi-billion-dollar recovery to investors, Pomerantz secured precedent-setting decisions during the litigation. In a February 2016 Opinion and Order, the district court certified all the classes proposed by plaintiffs, encompassing not only purchasers of Petrobras American Depositary Receipts, but also Petrobras bondholders who acquired securities pursuant to domestic transactions. Plaintiffs asserted claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Sections 11, 12(a)(2), and 15 of the Securities Act of 1933. Defendants appealed the district court’s certification opinion on multiple grounds, including for failure to satisfy the requirement of ascertainability, and for failure to satisfy the burden of showing that the Petrobras securities at issue traded in efficient markets. The Second Circuit accepted the appeal and largely rejected defendants’ arguments, sending the case back to the district court for further proceedings.

The Second Circuit’s decision is an important and favorable precedent in several respects. First, in an issue of first impression, the Second Circuit squarely rejected defendants’ invitation to adopt the heightened ascertainability requirement promulgated by the United States Court of Appeals for the Third Circuit, which would have required plaintiffs to demonstrate that determining membership in a class is “administratively feasible.” The Second Circuit’s rejection of this standard is not only a victory for bondholders in securities class actions, but also for plaintiffs in consumer fraud class actions and other class actions where documentation regarding Class membership is not readily attainable.

With respect to Petrobras' bondholders, the Second Circuit vacated the district court's granting of class certification, but only to the extent that it did not perform an analysis regarding the impact of the Supreme Court's decision in *Morrison v. National Australia Bank Ltd.*, 561 U.S. 247 (2010), on the predominance requirement of class certification, acknowledging that "the district court might properly certify one or more classes that capture all of the Securities holders who fall within the Classes as currently defined." *In re Petrobras Sec. Litig.*, 862 F.3d 250, 274 (2d Cir. 2017).

The Second Circuit also refused to adopt a requirement, urged by defendants, that all securities class action plaintiffs seeking class certification prove through direct evidence (*i.e.*, via an event study) that the prices of the relevant securities moved in a particular direction in response to new information.

In April 2019, Pomerantz, as Lead Counsel, achieved a \$110 million settlement for the Class (pending court approval) in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y.). This high-profile securities class action alleges that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with "defeat device" software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In addition to creating precedent-setting case law in successfully defending the various motions to dismiss the *Fiat Chrysler* litigation, Pomerantz also significantly advanced investors' ability to obtain critically important discovery from regulators that are often at the center of securities actions. During the course of the litigation, Pomerantz sought the deposition of a former employee of the National Highway Traffic Safety Administration ("NHTSA"). The United States Department of Transportation ("USDOT"), like most federal agencies, has enacted a set of regulations — known as "Touhy regulations" — governing when its employees may be called by private parties to testify in court. On their face, USDOT's regulations apply to both "current" and "former" employees. In response to Pomerantz's request to depose a former employee of NHTSA that interacted with Fiat Chrysler, NHTSA denied the request, citing the Touhy regulation. Despite the widespread application, and assumed appropriateness, of applying these regulations to former employees throughout the case law, Pomerantz filed an action against USDOT and NHTSA, arguing that the statute pursuant to which the Touhy regulations were enacted speaks only of "employees," which should be interpreted to apply only to current employees. The court granted summary judgment in favor of Pomerantz's clients, holding that "USDOT's Touhy regulations are unlawful to the extent that they apply to former employees." This victory will greatly shift the discovery tools available, so that investor plaintiffs in securities class actions against highly-regulated entities (for example, companies subject to FDA regulations) will now be able to depose former employees of the regulators that interacted with the defendants during the class period to get critical testimony concerning the company's violations and misdeeds.

Pomerantz, as sole Lead Counsel in *Strougo v. Barclays PLC*, No. 14-cv-5797 (S.D.N.Y.), achieved a \$27 million settlement for the Class in 2019. This high-profile securities litigation alleges that defendants concealed information and misled investors regarding its management of its "LX" dark pool, a private trading platform where the size and price of the orders are not revealed to other participants. On November 6, 2017, the Second Circuit affirmed former District Court Judge Shira S. Scheindlin's February 2, 2016, Opinion and Order granting plaintiffs' motion for class certification in the case.

The Court of Appeals in *Barclays* held that direct evidence of price impact is not always necessary to demonstrate market efficiency, as required to invoke the *Basic* presumption of reliance, and was not required here. Significantly, when handing down its decision, the Second Circuit cited its own *Petrobras* decision, stating, “We have repeatedly—and recently—declined to adopt a particular test for market efficiency.” *Waggoner v. Barclays PLC*, 875 F.3d 79, 94 (2d Cir. 2017).

The court held that defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. The court further held that it would be inconsistent with *Halliburton II* to “allow [] defendants to rebut the *Basic* presumption by simply producing *some* evidence of market inefficiency, but not demonstrating its inefficiency to the district court.” *Id.* at 100. The court rejected defendants’ contention that Federal Rule of Evidence 301 applies, and made clear that the *Basic* presumption is a judicially-created doctrine and thus the burden of persuasion properly shifts to defendants. The court thus confirmed that plaintiffs have no burden to show price impact at the class certification stage—a significant victory for investors.

On September 10, 2018, Pomerantz, as Co-Lead Counsel, achieved final approval of a historic \$80 million settlement for the Class in *In re Yahoo! Inc. Sec. Litig.*, No. 17-cv-00373 (N.D. Cal.). The complaint, filed in January 2017, alleged that the internet giant intentionally misled investors about its cybersecurity practices in the wake of massive data breaches in 2013 and 2014 that compromised the personal information of all 3 billion Yahoo customers. Plaintiffs allege that Yahoo violated federal securities laws by failing to disclose the breaches, which caused a subsequent stock price dive. This represents the first significant settlement to date of a securities fraud class action filed in response to a data breach.

As part of due diligence, Pomerantz located critical evidence showing that Yahoo’s management had concurrent knowledge of at least one of the data breaches. Importantly, these records showed that Yahoo’s Board of Directors, including Defendant CEO Marissa Mayer, had knowledge of and received repeated updates regarding the breach. In its public filings, Yahoo denied that the CEO knew about the breach, and the CEO’s knowledge was a key issue in the case.

After receiving Plaintiffs’ opposition to the motion to dismiss, but before the federal District Court ruled on the motion, the case settled for \$80 million. This early and large settlement reflects the strength of the complaint’s allegations.

In May 2017, Pomerantz, as Co-Lead Counsel, achieved final approval of a \$135 million recovery for the Class in *Kaplan v. S.A.C. Capital Advisors, L.P.*, No. 12-cv-9350 (S.D.N.Y.). This securities class action stemmed from what has been called the most profitable insider trading scheme in U.S. history. After years of vigorous litigation, billionaire Steven A. Cohen’s former hedge fund, S.A.C. Capital Advisors LP, agreed to settle the lawsuit by investors in the drug maker Elan Corp, who said they lost money because of insider trading by one of his portfolio managers.

In July 2017, Pomerantz secured the right of investors in BP p.l.c. to pursue “holder claims.” The ruling, by Judge Keith P. Ellison of the U.S. District Court for the Southern District of Texas, is significant, given the dearth of precedent from anywhere in the U.S. that both recognizes the potential viability of a holder claim under some body of non-U.S. federal law and holds that the plaintiffs pursuing one had sufficiently alleged facts giving rise to reliance and other required elements of the underlying legal claims. Since 2012, Pomerantz has pursued ground-breaking claims on behalf of institutional investors in BP p.l.c. to recover losses in BP’s common stock (which trades on the London Stock Exchange) stemming from the 2010 Gulf oil spill. The threshold challenge was how to litigate in U.S. court in the wake of the

Supreme Court's 2010 decision in *Morrison v. National Australia Bank*, which barred recovery for losses in foreign-traded securities under the U.S. federal securities laws. In 2013 and 2014, Pomerantz secured a series of significant victories in individual actions pursued on behalf of institutional investors in *In re BP p.l.c. Securities Litigation*, MDL No. 2185 (S.D. Tex.). Pomerantz defeated BP's *forum non conveniens* arguments seeking dismissal of U.S. institutions and, later, foreign institutions, pursuing English common law claims seeking recovery of investment losses stemming in both NYSE-traded ADSs and London Stock Exchange (LSE)-traded common stock. Pomerantz also defeated BP's attempt to extend the Securities Litigation Uniform Standards Act to dismiss these claims. Thanks to these rulings, Pomerantz now leads the only litigation, post-*Morrison*, where U.S. and foreign investors, pursuing foreign claims seeking recovery for losses in foreign-traded stocks, are doing so in a U.S. court.

In June 2010, Judge Nicholas G. Garaufis of the U.S. District Court for the Eastern District of New York granted final approval of a \$225 million settlement proposed by Pomerantz and Lead Plaintiff the Menora Group, with Comverse Technology and certain of Comverse's former officers and directors, after four years of highly contested litigation. The *Comverse* settlement is one of the largest securities class action settlements reached since the passage of the Private Securities Litigation Reform Act ("PSLRA").¹ It is the second-largest recovery in a securities litigation involving the backdating of options, as well as one of the largest recoveries – \$60 million – from an individual officer-defendant, Comverse's founder and former CEO, Kobi Alexander. *In re Comverse Technology, Inc. Sec. Litig.*, No. 06-CV-1825 (E.D.N.Y.)

Even before the enactment of the PSLRA, Pomerantz represented state agencies in securities class actions, including the Treasurer of the Commonwealth of Pennsylvania (recovered \$100 million) against a major investment bank. *In re Salomon Brothers Treasury Litig.*, No. 91-cv-5471 (S.D.N.Y.).

Pomerantz recovered \$50 million for the Treasurer of the State of New Jersey and several New Jersey pension funds in an individual action. This was a substantially higher recovery than what our clients would have obtained had they remained in a related federal class action. *Treasurer of State of New Jersey v. AOL Time Warner, Inc.* (N.J. Super. Ct. Law Div., Mercer Cty.).

Pomerantz has litigated numerous cases for the Louisiana School Employees' Retirement System. For example, as Lead Counsel, Pomerantz recovered \$74.75 million in a securities fraud class action against Citigroup, its CEO Sanford Weill, and its now infamous telecommunications analyst Jack Grubman. *In re Salomon Analyst AT&T Litig.*, No. 02-cv-6801 (S.D.N.Y.) Also, the Firm played a major role in a complex antitrust and securities class action which settled for over \$1 billion. *In re NASDAQ Market-Makers Antitrust Litig.*, MDL No. 1023 (S.D.N.Y.). Pomerantz was a member of the Executive Committee in *In re Transkaryotic Therapies, Inc. Securities Litigation*, C.A. No. 03-10165 (D. Mass.), helping to win a \$50 million settlement for the class.

In 2008, together with Co-Counsel, Pomerantz identified a substantial opportunity for recovery of losses in Countrywide mortgage-backed securities ("MBS") for three large New Mexico funds (New Mexico State Investment Council, New Mexico Public Employees' Retirement Association, and New Mexico Educational Retirement Board), which had been overlooked by all of the firms then in their securities litigation pool. We then filed the first non-class lawsuit by a public institution with respect to Countrywide MBS. See *N.M. State Inv. Council v. Countrywide Fin. Corp.*, No. D-0101-CV-2008-02289

¹ Institutional Shareholder Services, *SCAS Top 100 Settlements Quarterly Report* (Sept. 30, 2010).

(N.M. 1st Dist. Ct.). In Fall 2010, we negotiated for our clients an extremely favorable but confidential settlement.

Over its long history, Pomerantz has achieved significant settlements in numerous cases, a sampling of which is listed below:

- *In re National Health Lab., Inc. Sec. Litig.*, No. CV 92-1949 (S.D. Cal. 1995)
\$64 million recovery.

- *In re First Executive Corp. Sec. Litig.*, No. 89-cv-07135 (C.D. Cal. 1994)

- *In re Boardwalk Marketplace Sec. Litig.*, MDL No. 712 (D. Conn. 1994)

- *In re Telerate, Inc. S'holders Litig.*, C.A. No. 1115 (Del. Ch. 1989)
\$95 million benefit in case alleging violation of fiduciary duty under state law.

Pomerantz has also obtained stellar results for private institutions and Taft-Hartley funds. Below are a few examples:

- *In re Charter Commc'ns, Inc. Sec. Litig.*, No. 02-cv-1186 (E.D. Mo. 2005) (sole Lead Counsel for Lead Plaintiff StoneRidge Investment Partners LLC); \$146.25 million class settlement, where Charter also agreed to enact substantive improvements in corporate governance.
- *In re Am. Italian Pasta Sec. Litig.*, No. 05-cv-865 (W.D. Mo. 2008) (sole Lead Counsel for Lead Plaintiff Ironworkers Locals 40, 361 and 417; \$28.5 million aggregate settlements).
- *Richardson v. Gray*, No. 116880/1995 (N.Y. Sup. Ct. N.Y. Cty. 1999); and *In re Summit Metals*, No. 98-2870 (Bankr. D. Del. 2004) (two derivative actions where the Firm represented C.C. Partners Ltd. and obtained judgment of contempt against controlling shareholder for having made "extraordinary" payments to himself in violation of a preliminary injunction; persuaded the court to jail him for two years upon his refusal to pay; and, in a related action, won a \$43 million judgment after trial and obtained turnover of stock of two companies).

Shaping the Law

Not only has Pomerantz established a long track record of obtaining substantial monetary recoveries for our clients; whenever appropriate, we also pursue corporate governance reforms on their behalf. In *In re Chesapeake Shareholders Derivative Litigation*, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. 2011), for example, the Firm served as Co-Lead Counsel, representing a public pension client in a derivative case arising from an excessive compensation package granted to Chesapeake's CEO and founder. This was a derivative action, not a class action. Yet it is illustrative of the results that can be obtained by an institutional investor in the corporate governance arena. There we obtained a settlement which called for the repayment of \$12.1 million and other consideration by the CEO. The Wall Street Journal (Nov. 3, 2011) characterized the settlement as "a rare concession for the 52-year old executive, who has run the company largely by his own rules since he co-founded it in 1989." The settlement also included comprehensive corporate governance reforms.

The Firm has won many landmark decisions that have enhanced shareholders' rights and improved corporate governance. These include decisions that established that:

- defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);
- plaintiffs have no burden to show price impact at the class certification stage. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);

- the ascertainability doctrine requires only that a class be defined using objective criteria that establish a membership with definite boundaries. *Universities Superannuation Scheme Ltd. v. Petróleo Brasileiro S.A. Petrobras*, 862 F.3d 250 (2d Cir. 2017);
- companies cannot adopt bylaws to regulate the rights of former stockholders. *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015);
- a temporary rise in share price above its purchase price in the aftermath of a corrective disclosure does not eviscerate an investor’s claim for damages. *Acticon AG v. China Ne. Petroleum Holdings Ltd.*, 692 F.3d 34 (2d Cir. 2012);
- an MBS holder may bring claims if the MBS price declines even if all payments of principal and interest have been made. Transcript of Proceedings, *N.M. State Inv. Council v. Countrywide Fin. Corp.*, No. D-0101-CV-2008-02289 (N.M. 1st Dist. Ct. Mar. 25, 2009);
- when a court selects a Lead Plaintiff under the Private Securities Litigation Reform Act (“PSLRA”), the standard for calculating the “largest financial interest” must take into account sales as well as purchases. *In re Comverse Tech., Inc. Sec. Litig.*, No. 06-cv-1825, 2007 U.S. Dist. LEXIS 14878 (E.D.N.Y. Mar. 2, 2007);
- a managing underwriter can owe fiduciary duties of loyalty and care to an issuer in connection with a public offering of the issuer stock, even in the absence of any contractual agreement. Professor John C. Coffee, a renowned Columbia University securities law professor, commenting on the ruling, stated: “It’s going to change the practice of all underwriting.” *EBC I, Inc. v. Goldman Sachs & Co.*, 5 N.Y. 3d 11 (2005);
- purchasers of options have standing to sue under federal securities laws. *In re Green Tree Fin. Corp. Options Litig.*, No. 97-2679, 2002 U.S. Dist. LEXIS 13986 (D. Minn. July 29, 2002);
- shareholders have a right to a jury trial in derivative actions. *Ross v. Bernhard*, 396 U.S. 531 (1970);
- a company may have the obligation to disclose to shareholders its Board’s consideration of important corporate transactions, such as the possibility of a spin-off, even before any final decision has been made. *Kronfeld v. Trans World Airlines, Inc.*, 832 F.2d 726 (2d Cir. 1987);
- specific standards for assessing whether mutual fund advisors breach fiduciary duties by charging excessive fees. *Gartenberg v. Merrill Lynch Asset Mgmt., Inc.*, 740 F.2d 190 (2d Cir. 1984);
- investment advisors to mutual funds are fiduciaries who cannot sell their trustee positions for a profit. *Rosenfeld v. Black*, 445 F.2d 1337 (2d Cir. 1971); and
- management directors of mutual funds have a duty to make full disclosure to outside directors “in every area where there was even a possible conflict of interest.” *Moses v. Burgin*, 445 F.2d 369 (1st Cir. 1971).

Comments from the Courts

Throughout its history, courts time and again have acknowledged the Firm’s ability to vigorously pursue and successfully litigate actions on behalf of investors.

In approving the \$3 billion settlement in *In re Petrobras Securities Litigation* in June 2018, Judge Jed S. Rakoff of the Southern District of New York wrote:

[T]he Court finds that Class Counsel's performance was in many respects exceptional, with the result that, as noted, the class is poised to enjoy a substantially larger per share recovery [65%] than the recovery enjoyed by numerous large and sophisticated plaintiffs who separately settled their claims.

At the hearing for preliminary approval of the settlement in *In re Petrobras Securities Litigation* in February 2018, Judge Rakoff stated:

[T]he lawyers in this case [are] some of the best lawyers in the United States, if not in the world.

Two years earlier, in certifying two Classes in *In re Petrobras Securities Litigation* in February 2016, Judge Rakoff wrote:

[O]n the basis not only of USS's counsel's prior experience but also the Court's observation of its advocacy over the many months since it was appointed Lead Counsel, the Court concludes that Pomerantz, the proposed class counsel, is "qualified, experienced and able to conduct the litigation." ... [T]he Pomerantz firm has both the skill and resources to represent the Classes adequately.

In approving the settlement in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880, 2016 U.S. Dist. LEXIS 144133 (S.D. Fla. Oct. 14, 2016) Judge Ursula Ungaro wrote:

Class Counsel has developed a reputation for zealous advocacy in securities class actions. ... The settlement amount of \$24 million is an outstanding result.

At the May 2015 hearing wherein the court approved the settlement in *Courtney v. Avid Technology, Inc.*, No. 13-cv-10686 (D. Mass. May 12, 2015), following oral argument by Jeremy A. Lieberman, Judge William G. Young stated:

This has been very well litigated. It is always a privilege. I don't just say that as a matter of form. And I thank you for the vigorous litigation that I've been permitted to be a part of. [Tr. at 8-9.]

At the January 2012 hearing wherein the court approved the settlement in *In re Chesapeake Energy Corp. Shareholder Derivative Litigation*, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. Jan. 30, 2012), following oral argument by Marc I. Gross, Judge Daniel L. Owens stated:

Counsel, it's a pleasure, and I mean this and rarely say it. I think I've said it two times in 25 years. It is an extreme pleasure to deal with counsel of such caliber. [Tr. at 48.]

In approving the \$225 million settlement in *In re Comverse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.) in June 2010, Judge Nicholas G. Garaufis stated:

As outlined above, the recovery in this case is one of the highest ever achieved in this type of securities action. ... The court also notes that, throughout this litigation, it has been impressed by Lead Counsel's acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation.

In approving a \$146.25 million settlement in *In re Charter Communications Securities Litigation*, No. 02-CV-1186, 2005 U.S. Dist. LEXIS 14772 (E.D. Mo. June 30, 2005), in which Pomerantz served as sole Lead Counsel, Judge Charles A. Shaw praised the Firm's efforts, citing "the vigor with which Lead Counsel ... investigated claims, briefed the motions to dismiss, and negotiated the settlement." He further stated:

This Court believes Lead Plaintiff achieved an excellent result in a complex action, where the risk of obtaining a significantly smaller recovery, if any, was substantial.

In approving a \$24 million settlement in *In re Force Protection, Inc.*, No. 08 CV 845 (D.S.C. 2011), Judge C. Weston Houk described the Firm as "attorneys of great ability and great reputation" and commended the Firm for having "done an excellent job."

In certifying a class in a securities fraud action against analysts in *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Judge Gerard D. Lynch stated that Pomerantz had "ably and zealously represented the interests of the class."

Numerous courts have made similar comments:

- Appointing Pomerantz Lead Counsel in *American Italian Pasta Co. Securities Litigation*, No 05-CV-0725 (W.D. Mo.), a class action that involved a massive fraud and restatements spanning several years, the District Court observed that the Firm "has significant experience (and has been extremely effective) litigating securities class actions, employs highly qualified attorneys, and possesses ample resources to effectively manage the class litigation and protect the class's interests."
- In approving the settlement in *In re Wiring Devices Antitrust Litigation*, MDL No. 331 (E.D.N.Y. Sept. 9, 1980), Chief Judge Jack B. Weinstein stated that "Counsel for the plaintiffs I think did an excellent job. ... They are outstanding and skillful. The litigation was and is extremely complex. They assumed a great deal of responsibility. They recovered a very large amount given the possibility of no recovery here which was in my opinion substantial."
- In *Snyder v. Nationwide Insurance Co.*, No. 97/0633, (N.Y. Supreme Court, Onondaga Cty.), a case where Pomerantz served as Co-Lead Counsel, Judge Tormey stated, "It was a pleasure to work with you. This is a good result. You've got some great attorneys working on it."
- In *Steinberg v. Nationwide Mutual Insurance Co.* (E.D.N.Y. 2004), Judge Spatt, granting class certification and appointing the Firm as class counsel, observed: "The Pomerantz firm has a strong reputation as class counsel and has demonstrated its competence to serve as class counsel in this motion for class certification." (224 F.R.D. 67, 766.)
- In *Mercury Savings & Loan*, No. 90-cv-00087 LHM (C.D. Cal. 1993), Judge McLaughlin commended the Firm for the "absolutely extraordinary job in this litigation."
- In *Boardwalk Marketplace Securities Litigation*, MDL No. 712 (D. Conn.), Judge Eginton described the Firm's services as "exemplary," praised it for its "usual fine job of lawyering ...[in] an extremely complex matter," and concluded that the case was "very well-handled and managed." (Tr. at 6, 5/20/92; Tr. at 10, 10/10/92.)

- In *Nodar v. Weksel*, No. 84 Civ. 3870 (S.D.N.Y.), Judge Broderick acknowledged “that the services rendered [by Pomerantz] were excellent services from the point of view of the class represented, [and] the result was an excellent result.” (Tr. at 21-22, 12/27/90.)
- In *Klein v. A.G. Becker Paribas, Inc.*, No. 83 Civ. 6456 (S.D.N.Y.), Judge Goettel complimented the Firm for providing “excellent ...absolutely top-drawer representation for the class, particularly in light of the vigorous defense offered by the defense firm.” (Tr. at 22, 3/6/87.)
- In *Digital Securities Litigation*, No. 83-3255 (D. Mass.), Judge Young lauded the Firm for its “[v]ery fine lawyering.” (Tr. at 13, 9/18/86.)
- In *Shelter Realty Corp. v. Allied Maintenance Corp.*, 75 F.R.D. 34, 40 (S.D.N.Y. 1977), Judge Frankel, referring to Pomerantz, said: “Their experience in handling class actions of this nature is known to the court and certainly puts to rest any doubt that the absent class members will receive the quality of representation to which they are entitled.”
- In *Rauch v. Bilzerian*, No. 88 Civ. 15624 (N.J. Sup. Ct.), the court, after trial, referred to Pomerantz partners as “exceptionally competent counsel,” and as having provided “top drawer, topflight [representation], certainly as good as I’ve seen in my stay on this court.”

Corporate Governance Litigation

Pomerantz is committed to ensuring that companies adhere to responsible business practices and practice good corporate citizenship. We strongly support policies and procedures designed to give shareholders the ability to oversee the activities of a corporation. We vigorously pursue corporate governance reform, particularly in the area of excess compensation, where it can address the growing disparity between the salaries of executives and the workers of major corporations. We have successfully utilized litigation to bring about corporate governance reform in numerous cases, and always consider whether such reforms are appropriate before any case is settled.

Pomerantz partners are frequent speakers at domestic and international conferences on the importance of securities fraud actions in such countries as the United Kingdom, France, and Israel. According to Senior Partner, Marc Gross, “We need to have these kinds of legal remedies available in order to maintain corporate honesty and accountability.”

Pomerantz’s Corporate Governance Practice Group, led by Partner Gustavo F. Bruckner, enforces shareholder rights and prosecutes actions challenging corporate transactions that arise from an unfair process or result in an unfair price for shareholders.

In September 2017, New Jersey Superior Court Judge Julio Mendez, of Cape May County Chancery Division, approved Pomerantz’s settlement in a litigation against Ocean Shore Holding Co. The settlement provided non-pecuniary benefits for a non-opt out class. In so doing, Judge Mendez became the first New Jersey state court judge to formally adopt the Third Circuit’s nine-part *Girsh* factors, *Girsh v. Jepsen*, 521 F.2d 153 (3d Cir. 1975). There has never before been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate. After conducting an analysis of each of the nine *Girsh* factors and holding that “class actions settlements involving non-monetary benefits to the class are

subject to more exacting scrutiny,” Judge Mendez held that the proposed settlement provided a material benefit to the shareholders.

In February 2018, the Maryland Circuit Court, Montgomery County, approved a \$17.5 million settlement that plaintiffs achieved as additional consideration on behalf of a class of shareholders of American Capital, Ltd. *In re Am. Capital, Ltd. S’holder Litig.*, C.A. No. 422598-V (2018). The settlement resolved Plaintiffs’ claims regarding a forced sale of American Capital.

Pomerantz filed an action challenging the sale of American Capital, a Delaware corporation with its headquarters in Maryland. Among other things, American Capital’s board of directors (the “Board”) agreed to sell the company at a price below what two other bidders were willing to offer. Worse, the merger price was even below the amount that shareholders would have received in the company’s planned phased liquidation, which the company was considering under pressure from Elliott Management, an activist hedge fund and holder of approximate 15% of American Capital stock. Elliott was not originally named as a defendant, but after initial discovery showed the extent of its involvement in the Board’s breaches of fiduciary duty, Elliott was added as a defendant in an amended complaint under the theory that Elliott exercised actual control over the Board’s decision-making. Elliott moved to dismiss on jurisdictional grounds and additionally challenged its alleged status as a controller of American Capital. In June 2017, minutes before the hearing on defendants’ motion to dismiss, a partial settlement was entered into with the members of the Board for \$11.5 million. The motion to dismiss hearing proceeded despite the partial settlement, but only as to Elliott. In July 2017, the court denied the motion to dismiss, finding that Elliott, “by virtue solely of its own conduct, ... has easily satisfied the transacting business prong of the Maryland long arm statute.” The court also found that the “amended complaint in this case sufficiently pleads that Elliott was a controller with respect to” the sale, thus implicating a higher standard of review. Elliott subsequently settled the remaining claims for an additional \$6 million. Pomerantz served as Co-Lead Counsel.

In May 2017, the Circuit Court of the State of Oregon approved the settlement achieved by Pomerantz and co-counsel of a derivative action brought by two shareholders of Lithia Motors, Inc. The lawsuit alleged breach of fiduciary duties by the board of directors in approving, without any meaningful review, the Transition Agreement between Lithia Motors and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, Bryan DeBoer, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

The *Lithia* settlement extracted corporate governance therapeutics that provide substantial benefits to Lithia and its shareholders and redress the wrongdoing alleged by plaintiffs. The board will now be required to have at least five independent directors -- as defined under the New York Stock Exchange rules -- by 2020; a number of other new protocols will be in place to prevent self-dealing by board members. Further, the settlement calls for the Transition Agreement to be reviewed by an independent auditor who will determine whether the annual payments of \$1,060,000 for life to Sidney DeBoer are reasonable. Lithia has agreed to accept whatever decision the auditor makes.

In January 2017, the Group received approval of the Delaware Chancery Court for a \$5.6 million settlement it achieved on behalf of a class of shareholders of Physicians Formula Holdings Inc. over an ignored merger offer in 2012. *In re Physicians Formula Holdings Inc.*, C.A. No. 7794-VCL (Del. Ch.).

The Group obtained a landmark ruling in *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch.), that fee-shifting bylaws adopted after a challenged transaction do not apply to shareholders affected by the transaction. They were also able to obtain a 25% price increase for members of the class cashed out in the going private transaction.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Super. Ct.), the Group caused Implant Sciences to hold its first shareholder annual meeting in five years and put an important compensation grant up for a shareholder vote.

In *Smollar v. Potarazu*, C.A. No. 10287-VCN (Del. Ch.), the Group pursued a derivative action to bring about the appointment of two independent members to the board of directors, retention of an independent auditor, dissemination of financials to shareholders and the holding of first ever in-person annual meeting, among other corporate therapeutics.

In *Hallandale Beach Police Officers & Firefighters' Personnel Retirement Fund vs. Lululemon athletica, Inc.*, C.A. No. 8522-VCP (Del. Ch.), in an issue of first impression in Delaware, the Chancery Court ordered the production of the chairman's 10b5-1 stock trading plan. The court found that a stock trading plan established by the company's chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman's stock in the company, did not preclude potential liability for insider trading.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct.), the Group caused the Merger Agreement to be amended to provide a "majority of the minority" provision for the holders of North State Bancorp's common stock in connection with the shareholder vote on the merger. As a result of the Action, common shareholders could stop the merger if they did not wish it to go forward.

Pomerantz's commitment to advancing sound corporate governance principles is further demonstrated by the more than 26 years that we have co-sponsored the Abraham L. Pomerantz Lecture Series with Brooklyn Law School. These lectures focus on critical and emerging issues concerning shareholder rights and corporate governance and bring together top academics and litigators.

Our bi-monthly newsletter, *The Pomerantz Monitor*, provides institutional investors updates and insights on current issues in corporate governance.

Antitrust Litigation

Pomerantz has earned a reputation for prosecuting complex antitrust and consumer class actions with vigor, innovation, and success. Pomerantz's Antitrust and Consumer Group has recovered billions of dollars for the Firm's business and individual clients and the classes that they represent. Time and again, Pomerantz has protected our free-market system from anticompetitive conduct such as price fixing, monopolization, exclusive territorial division, pernicious pharmaceutical conduct, and false advertising.

Pomerantz’s advocacy has spanned across diverse product markets, exhibiting the Antitrust and Consumer Group’s versatility to prosecute class actions on any terrain.

Pomerantz has served and is currently serving in leadership or Co-Leadership roles in several high-profile multi-district litigation class actions. In December 2018, the Firm achieved a \$31 billion partial settlement with three defendants on behalf of a class of U.S. lending institutions that originated, purchased or held loans paying interest rates tied to the U.S. Dollar London Interbank Offered Rate (USD LIBOR). It is alleged that the class suffered damages as a result of collusive manipulation by the LIBOR contributor panel banks that artificially suppressed the USD LIBOR rate during the class period, causing the class members to receive lower interest payments than they would have otherwise received. *In re Libor Based Financial Instruments Antitrust Litig.*, 1:11-md-2262.

Pomerantz represented baseball and hockey fans in a game-changing antitrust class action against Major League Baseball and the National Hockey League, challenging the exclusive territorial division of live television broadcasts, internet streaming, and the resulting geographic blackouts. *See Laumann v. NHL and Garber v. MLB* (S.D.N.Y. 2012).

Pomerantz has spearheaded the effort to challenge harmful anticompetitive conduct by pharmaceutical companies—including Pay-for-Delay Agreements—that artificially inflates the price of prescription drugs by keeping generic versions off the market.

Even prior to the 2013 precedential U.S. Supreme Court decision in *Actavis*, Pomerantz litigated and successfully settled the following generic-drug-delay cases:

- *In re Flonase Antitrust Litig.* (E.D. Pa. 2008) (\$35 million);
- *In re Toprol XL Antitrust Litig.* (D. Del. 2006) (\$11 million); and
- *In re Wellbutrin SR Antitrust Litig.* (E.D. Pa. 2004) (\$21.5 million).

Other exemplary victories include Pomerantz’s prominent role in *In re NASDAQ Market-Makers Antitrust Litigation* (S.D.N.Y.), which resulted in a settlement in excess of \$1 billion for class members, one of the largest antitrust settlements in history. Pomerantz also played prominent roles in *In re Sorbates Direct Purchaser Antitrust Litigation* (N.D. Cal.), which resulted in over an \$82 million recovery, and in *In re Methionine Antitrust Litigation* (N.D. Cal.), which resulted in a \$107 million recovery. These cases illustrate the resources, expertise, and commitment that Pomerantz’s Antitrust Group devotes to prosecuting some of the most egregious anticompetitive conduct.

Strategic Consumer Litigation

Pomerantz represents consumers in strategic consumer litigation, namely, actions that recover monetary relief on behalf of class members while also advocating for important consumer rights. We have successfully prosecuted claims involving California’s Unfair Competition Law, California’s Consumer Legal Remedies Act, the Song Beverly Consumer Warranty Act and the Song Beverly Credit Card Act. Pomerantz attorneys have resolved data breach privacy cases and cases involving unlawful recording, illegal background checks, unfair business practices, misleading advertising and other consumer finance related actions. Attorneys at Pomerantz also have been Lead Counsel in the prosecution and successful

resolution of major nationwide class actions against Nissan, Ford, Volkswagen, BMW, Toyota, Chrysler and General Motors arising out of failures to disclose car defects. All of these actions also have involved significant changes to defendants' business practices.

Jeremy A. Lieberman

Jeremy A. Lieberman is Pomerantz's Managing Partner. Jeremy became associated with the Firm in August 2004 and was elevated to Partner in January 2010. He was honored as Benchmark Litigation's 2019 Plaintiff Attorney of the Year. In 2018, Jeremy was honored as a Titan of the Plaintiffs Bar by Law360 and as a Benchmark Litigation Star. The Pomerantz team that Jeremy leads was named a 2018 Securities Practice Group of the Year. Jeremy has been honored as a Super Lawyers® "Top-Rated Securities Litigation Attorney" in 2016, 2017, and 2018 – a recognition bestowed on no more than 5% of eligible attorneys in the New York Metro area. The Legal 500, in honoring Pomerantz as a Leading Firm for 2016 and 2017, stated that in New York, "Jeremy Lieberman is super impressive – a formidable adversary for any defense firm."

Jeremy led the litigation of *In re Petrobras Securities Litigation*, a closely-watched securities class action arising from a multi-billion-dollar kickback and bribery scheme involving Brazil's largest oil company, Petróleo Brasileiro S.A. – Petrobras, in which Pomerantz was sole Lead Counsel. The biggest instance of corruption in the history of Brazil ensnared not only Petrobras' former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. In January and February 2018, Jeremy achieved a historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

Jeremy also secured a significant victory for Petrobras investors at the Second Circuit Court of Appeals, when the court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by the Third Circuit Courts of Appeals. The ruling will have a positive impact on plaintiffs in securities fraud litigation. Indeed, the *Petrobras* litigation was honored in 2019 as a National Impact Case by Benchmark Litigation.

In 2019, Jeremy achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investors about the manipulation of the banking giant's so-called "dark pool" trading systems in order to provide a trading advantage to high-frequency traders over its institutional investor clients. This case turned on the duty of integrity owed by Barclays to its clients. In November 2017, Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the evidence rather than merely meeting a burden of production.

Jeremy led the Firm's high-profile class action litigation against Yahoo! Inc., in which Pomerantz, as Lead Counsel, achieved an \$80 million settlement for the Class in 2018. The case involved the biggest data breaches in U.S. history, in which over 3 billion Yahoo accounts were compromised.

In 2018 Jeremy achieved a \$3,300,000 settlement for the Class in the Firm's securities class action against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.* (C.D. Cal.).

Jeremy led the Firm's litigation team that in 2018 secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely-watched multi-district litigation, which concerns the London Interbank Offered Rate (LIBOR) rigging scandal.

Jeremy heads the Firm's individual action against pharmaceutical giant Teva Pharmaceutical Industries Ltd., Teva Pharmaceuticals USA, Inc. (together, "Teva"), and certain of Teva's current and former employees and officers relating to alleged anticompetitive practices in Teva's sales of generic drugs. *Clal Insurance Company Ltd. v. Teva Pharmaceutical Industries Ltd.*

Jeremy also serves as Lead Counsel in a number of the most high-profile securities class actions pending in the U.S. courts, such as *In re Mylan N.V. Securities Litigation*, *In re Perrigo Co. Securities Litigation*, and *In re Fiat Chrysler Automobiles N.V. Securities Litigation*.

In *In re China North East Petroleum Corp. Securities Litigation*, Jeremy achieved a significant victory for shareholders in the United States Court of Appeals for the Second Circuit, whereby the Appeals Court ruled that a temporary rise in share price above its purchase price in the aftermath of a corrective disclosure did not eviscerate an investor's claim for damages. The Second Circuit's decision was deemed "precedential" by the *New York Law Journal* and provides critical guidance for assessing damages in a § 10(b) action.

Jeremy had an integral role in *In re Comverse Technology, Inc. Securities Litigation*, in which he and his partners achieved a historic \$225 million settlement on behalf of the Class, which was the second-largest options backdating settlement to date.

Jeremy regularly consults with Pomerantz's international institutional clients, including pension funds, regarding their rights under the U.S. securities laws. Jeremy is working with the Firm's international clients to craft a response to the Supreme Court's ruling in *Morrison v. National Australia Bank, Ltd.*, which limited the ability of foreign investors to seek redress under the federal securities laws. Currently, Jeremy is representing several UK and EU pension funds and asset managers in individual actions against BP plc in the United States District Court for the Southern District of Texas.

Jeremy is a frequent lecturer regarding current corporate governance and securities litigation issues. In March 2017, he spoke at the ICGN conference in Washington D.C., regarding recent trends in foreign securities litigation. He has also led discussions regarding U.S. securities class actions in Paris, France.

Jeremy graduated from Fordham University School of Law in 2002. While in law school, he served as a staff member of the *Fordham Urban Law Journal*. Upon graduation, he began his career at a major New York law firm as a litigation associate, where he specialized in complex commercial litigation.

Jeremy is admitted to practice in the State of New York; the U.S. District Courts for the Southern and Eastern Districts of New York, the Southern District of Texas, the District of Colorado, the Eastern District of Michigan and Northern District of Illinois; the U.S. Courts of Appeals for the Second, Third, Fourth, Sixth, Ninth, and Tenth Circuits; and the United States Supreme Court.

Patrick V. Dahlstrom

Patrick Dahlstrom joined Pomerantz as an associate in 1991 and was elevated to Partner in January 1996. He was Co-Managing Partner with Jeremy Lieberman in 2017 and 2018 and is now Senior Partner. Patrick is based in the Firm's Chicago office. He was honored as a Super Lawyers® "Top-Rated Securities Litigation Attorney" in 2018.

Patrick, a member of the Firm's Institutional Investor Practice and New Case Groups, has extensive experience litigating cases under the PSLRA. He led *In re Comverse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.), in which the Firm, as Lead Counsel, recovered a \$225 million settlement for the Class – the second-highest ever for a case involving back-dating options, and one of the largest recoveries ever from an individual officer-defendant, the company's founder and former CEO. In *Comverse*, the Firm obtained an important clarification of how courts calculate the "largest financial interest" in connection with the selection of a Lead Plaintiff, in a manner consistent with *Dura Pharmaceuticals, Inc. v. Broudo*, 544 U.S. 336 (2005). Judge Garaufis, in approving the settlement, lauded Pomerantz: "The court also notes that, throughout this litigation, it has been impressed by Lead Counsel's acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation."

In *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Patrick obtained the first class certification in a federal securities case involving fraud by analysts.

Patrick's extensive experience in litigation under the PSLRA has made him an expert not only at making compelling arguments on behalf of Pomerantz' clients for Lead Plaintiff status, but also in discerning weaknesses of competing candidates. *In re American Italian Pasta Co. Securities Litigation* and *Comverse* are the most recent examples of his success in getting our clients appointed sole Lead Plaintiff despite competing motions by numerous impressive institutional clients.

Patrick was a member of the trial team in *In re ICN/Viratek Securities Litigation* (S.D.N.Y. 1997), which, after trial, settled for \$14.5 million. Judge Wood praised the trial team: "[P]laintiffs counsel did a superb job here on behalf of the class. ...This was a very hard fought case. You had very able, superb opponents, and they put you to your task. ...The trial work was beautifully done and I believe very efficiently done."

Patrick's speaking engagements include interviews by NBC and the CBC regarding securities class actions, and among others, a presentation at the November 2009 State Association of County Retirement Systems Fall Conference as the featured speaker at the Board Chair/Vice Chair Session entitled: "Cleaning Up After the 100 Year Storm. How trustees can protect assets and recover losses following the burst of the housing and financial bubbles."

Patrick is a 1987 graduate of the Washington College of Law at American University in Washington, D.C., where he was a Dean's Fellow, Editor in Chief of the *Administrative Law Journal*, a member of the Moot

Court Board representing Washington College of Law in the New York County Bar Association's Antitrust Moot Court Competition, and a member of the Vietnam Veterans of America Legal Services/Public Interest Law Clinic. Upon graduating, Patrick served as the Pro Se Staff Attorney for the United States District Court for the Eastern District of New York and was a law clerk to the Honorable Joan M. Azrack, United States Magistrate Judge.

Patrick is admitted to practice in New York and Illinois, the United States District Courts for the Southern and Eastern Districts of New York, Northern District of Illinois, Northern District of Indiana, Eastern District of Wisconsin, District of Colorado, Western District of Pennsylvania, the United States Courts of Appeals for the First, Fourth, Sixth, Seventh, Eighth, and Ninth Circuits, and the United States Supreme Court.

Gustavo F. Bruckner

Gustavo F. Bruckner heads Pomerantz's Corporate Governance practice area, which enforces shareholder rights and prosecutes litigation challenging corporate actions that harm shareholders. Under Gustavo's leadership, the Corporate Governance group has achieved numerous noteworthy litigation successes. He has been quoted frequently by Bloomberg, Law360, The New York Times, and Reuters, and was honored in 2016, 2017, and 2018 by Super Lawyers® as a "Top-Rated Securities Litigation Attorney," a recognition bestowed on no more than 5% of eligible attorneys in the New York Metro area. Gustavo regularly appears in state and federal courts across the nation.

In September 2017, Gustavo's Corporate Governance team achieved a settlement in New Jersey Superior Court that provided non-pecuniary benefits for a non-opt out class, in Pomerantz's litigation against Ocean Shore Holding Co. In approving the settlement, Judge Julio Mendez, of Cape May County Chancery Division, became the first New Jersey state court judge to formally adopt the Third Circuit's nine-part *Girsh* factors, *Girsh v. Jepsen*, 521 F.2d 153 (3d Cir. 1975). Never before has there been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate.

Gustavo successfully argued *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015), obtaining a landmark ruling in Delaware that bylaws adopted after shareholders are cashed out do not apply to shareholders affected by the transaction. In the process, Gustavo and the Corporate Governance team beat back a fee-shifting bylaw and were able to obtain a 25% price increase for members of the class cashed out in the "going private" transaction. Shortly thereafter, the Delaware Legislature adopted legislation to ban fee-shifting bylaws.

In *Stein v. DeBoer* (Or. Cir. Ct. 2017), Gustavo and the Corporate Governance group achieved a settlement that provides significant corporate governance therapeutics on behalf of shareholders of Lithia Motors, Inc. The company's board had approved, without meaningful review, the Transition Agreement between the company and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Sup. Ct. 2015), Gustavo and the Corporate Governance group, by initiating litigation, caused Implant Sciences to hold its first shareholder annual meeting in 5 years and to place an important compensation grant up for a shareholder vote.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct. 2015), Gustavo and the Corporate Governance team caused the North State Bancorp merger agreement to be amended to provide a “majority of the minority” provision for common shareholders in connection with the shareholder vote on the merger. As a result of the action, common shareholders had the ability to stop the merger if they did not wish it to go forward.

In *Hallandale Beach Police Officers and Firefighters’ Personnel Retirement Fund vs. Lululemon athletica, Inc.*, C.A. No. 8522-VCP (Del. Ch. 2014), in an issue of first impression in Delaware, Gustavo successfully argued for the production of the company chairman’s Rule 10b5-1 stock trading plan. The court found that a stock trading plan established by the company’s chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman’s stock in the company, did not preclude potential liability for insider trading.

Gustavo was Co-Lead Counsel in *In re Great Wolf Resorts, Inc. Shareholders Litigation*, C.A. No. 7328-VCN (Del. Ch. 2012), obtaining the elimination of stand-still provisions that allowed third parties to bid for Great Wolf Resorts, Inc., resulting in the emergence of a third-party bidder and approximately \$94 million (57%) in additional merger consideration for Great Wolf shareholders.

Gustavo received his law degree in 1992 from the Benjamin N. Cardozo School of Law, where he served as an editor of the Moot Court Board and on the Student Council. Upon graduation, he received the award for outstanding student service.

After graduating law school, Gustavo served as Chief-of-Staff to a New York City legislator.

Gustavo is a Mentor and Coach to the NYU Stern School of Business, Berkley Center for Entrepreneurial Studies, New Venture Competition. He was a University Scholar at NYU where he obtained a B.S. in Marketing and International Business in 1988 and an MBA in Finance and International Business in 1989.

Gustavo is a Trustee and the Treasurer of the Beit Rabban Day School, and an arbitrator in the Civil Court of the City of New York.

Gustavo is licensed to practice in New York and New Jersey and is admitted to practice before the United States District Court for the Eastern, Northern, and Southern Districts of New York, the United States District Court for the District of New Jersey, United States Court of Appeals for the Second and Seventh Circuits, and the United States Supreme Court.

Emma Gilmore

Emma Gilmore is a partner at the Firm and is regularly involved in high-profile class-action litigation. In 2018, Emma was honored as an MVP in Securities Litigation, part of an “elite slate of attorneys [who] have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals.” Only up to six attorneys nationwide are selected each year as MVPs in Securities Litigation. Emma is only the third woman in that practice group to have received this outstanding award since it was initiated in 2011. Emma was also honored in 2019 and 2018 as a Super Lawyer® in the New York Metro area.

Emma played a leading role in the Firm’s class action case in the Southern District of New York against Brazil’s largest oil company, Petrobras, arising from a multi-billion-dollar kickback and bribery scheme, in which the Firm was sole Lead Counsel. The biggest instance of corruption in the history of Brazil had ensnared not only Petrobras’ former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. Emma was the principal drafter of the complaint. She deposed and defended numerous fact and expert witnesses, including deposing the former CEO of Petrobras, the whistleblower, and the chief accountant. She was also the principal drafter of the appellate brief and played an instrumental role in securing a significant victory for investors in this case at the Second Circuit Court of Appeals, when the Court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by other circuit courts. She opposed defendants’ petition for a writ of certiorari to the Supreme Court. In a significant victory for investors, Pomerantz has achieved a historic \$3 billion settlement with Petrobras. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a class action involving a foreign issuer, the fifth-largest class action settlement ever achieved in the United States, and the largest settlement achieved by a foreign lead plaintiff.

Emma played a leading role in *Strougo v. Barclays PLC*, a high-profile securities class action that alleged Barclays PLC misled institutional investor clients about the extent of the banking giant’s use of so-called “dark pool” trading systems. She drafted the complaint, defeated defendants’ efforts to dismiss the action, and contributed to securing an important precedent-setting opinion from the Second Circuit. Emma organized a group of leading evidence experts who filed amicus briefs supporting plaintiffs’ position in the Second Circuit.

Together with managing partner Jeremy Lieberman, Emma leads the securities class action litigation against Philip Morris International, arising from the development of its Reduced Risk smoking products.

Emma also plays a leading role in the Firm’s class action litigation against Arconic, arising from the deadliest U.K. fire in more than a century.

She also represents Safra Bank in a class action against Samarco Mineração S.A., in connection with the Fundao dam-burst disaster, which is widely regarded as the worst environmental disaster in Brazil’s history.

Emma played a leading role in the high-profile class action litigation against Yahoo! Inc., in which the Firm, as Lead Counsel, achieved an \$80 million settlement for the Class. The case involved the biggest data breaches in U.S. history, in which over 3 billion Yahoo accounts were compromised.

Among other cases, Emma is part of the team prosecuting securities fraud claims against BP on behalf of many foreign and domestic public and private pension funds arising from the company's 2010 Deepwater Horizon oil spill. *In re BP p.l.c. Sec. Litig.*, No. 10-md-2185 (S.D. Tex.). She helped devise a cutting-edge strategy that established the right of individual foreign investors who purchased foreign-traded shares of a foreign corporation to pursue claims for securities fraud in a U.S. court, thereby overcoming obstacles created by the U.S. Supreme Court's 2010 decision in *Morrison v. National Australia Bank Ltd.*

Emma secured a unanimous decision by a panel of the Ninth Circuit Court of Appeals, benefitting defrauded investors in *Costa Brava Partnership III LP v. ChinaCast Education Corp.* In an issue of first impression, the Ninth Circuit held that imputation of the CEO's scienter to the company was warranted vis-a-vis innocent third parties, despite the fact that the executive acted for his own benefit and to the company's detriment.

Emma is regularly invited to speak about recent trends and developments in securities litigation.

She has also devoted a significant amount of time to pro bono matters. She played a critical role in securing a unanimous ruling by the Arkansas Supreme Court striking down as unconstitutional a state law banning cohabiting individuals from adopting children or serving as foster parents. The ruling was a relief for the 1,600-plus children in the state of Arkansas who needed a permanent family. The litigation generated significant publicity, including coverage by the Arkansas Times, the Wall Street Journal, and the New York Times.

Before joining Pomerantz, Emma was a litigation associate with the firms of Skadden, Arps, Slate, Meagher and Flom, LLP, and Sullivan & Cromwell, LLP, where she was involved in commercial and securities matters. Her experience includes working on the *WorldCom Securities Litigation*, representing more than a dozen prominent banks and also representing clients such as General Electric, Columbia University, Samsung, LG Electronics, Sony, Philips, BT, and JVC.

She also served as a law clerk to the Honorable Thomas C. Platt, former U.S. Chief Judge for the Eastern District of New York.

Emma graduated *cum laude* from Brooklyn Law School, where she served as a staff editor for the *Brooklyn Law Review*. She was the recipient of two CALI Excellence for the Future Awards, being the highest scoring student in the subjects of evidence and discovery. She graduated *summa cum laude* from Arizona State University, with a BA in French and a minor in Business.

She serves on the Firm's Anti-Harassment and Discrimination Committee.

Emma is admitted to practice in the State of New York; the United States District Courts for the Southern and Eastern Districts of New York; and the United States Court of Appeals for the Ninth Circuit.

She was an integral member of the litigation team that achieved a settlement of \$19 million in cash and \$1 million worth of shares of common stock on behalf of investors who suffered losses as the result of an alleged "pump and dump" scheme orchestrated by Galena Biopharma. *In re Galena Biopharma, Inc.*, No. 14-cv-00367 (D. Matthew L. Tuccillo

Matthew L. Tuccillo joined Pomerantz in 2011 and was named a Partner in December 2013. He is responsible, on an ongoing basis, for the Firm's litigation of numerous securities fraud class actions pending nationwide, currently including: *In re Toronto-Dominion Bank Securities Litigation*, 1:17-cv-01735 (D.N.J.) and *Chun v. Fluor Corp., et al.*, No. 3:18-cv-01338-S (N.D. Tex.).

Mr. Tuccillo oversees and is the lead litigator on the Firm's securities fraud lawsuits arising from BP's 2010 Gulf oil spill, pending in Multidistrict Litigation 2185, *In re BP p.l.c. Secs. Litig.*, No. 4:10-md-2185 (S.D. Tex.). He briefed and argued successful oppositions to three rounds of BP's motions to dismiss the claims of roughly 100 institutional investors, drawing the court's praise for the "quality of lawyering," which it called "uniformly excellent." In leading the BP litigation, Mr. Tuccillo has secured some of the Firm's most ground-breaking rulings:

- He successfully argued that foreign and domestic investors had asserted viable "holder claims" seeking to recover investment losses due to their retention of already-owned shares in reliance upon the fraud, which is believed to be the first ruling by a U.S. court sustaining such a theory under English common law.
- He successfully argued against *forum non conveniens* dismissal, obtaining the first ruling after the Supreme Court's decision in *Morrison v. Nat'l Australia Bank Ltd.*, 130 S. Ct. 2869 (2010) to permit foreign investors pursuing foreign law claims to seek recovery for losses on a foreign stock exchange in a U.S. court.
- He successfully argued that the Securities Litigation Uniform Standards Act of 1998 (SLUSA), which extinguishes U.S. state law claims in deference to the U.S. federal securities laws, should not be extended to foreign common law claims being pursued by both domestic and foreign investors.

Mr. Tuccillo also fulfills Pomerantz's roles as MDL 2185 Individual Action Plaintiffs Steering Committee member and sole Liaison with BP and the Court. The Firm's BP clients include 32 public and private pension funds, investment management firms, limited partnerships, and investment trusts from the U.S., Canada, the U.K., France, the Netherlands, and Australia, seeking recovery for losses in BP's common stock (traded on the London Stock Exchange) and American Depository Shares (traded on the NYSE).

As the Firm's lead litigator in *Perez v. Higher One Holdings, Inc., et al.*, No. 14-cv-00755-AWT (D. Conn.), Mr. Tuccillo persuaded the court, after an initial dismissal, to uphold a second amended complaint that pled five separate threads of fraud over a multi-year period by an education funding company and its executives. Among other rulings, court agreed that the company's reported financial and operating

results violated Regulation S-K, Item 303, 17 C.F.R. §229.303, for failure to disclose known trends regarding the underlying misconduct and its impacts on reported results – a rare ruling in the absence of any accounting restatement. He negotiated a \$7.5 million class-wide settlement that was approved by the court.

As the Firm’s lead litigator in *In re KaloBios Pharmaceuticals, Inc. Securities Litigation*, No. 15-cv-05841 (N.D. Cal.), Mr. Tuccillo negotiated two court-approved class-wide settlements worth over \$3.25 million in the aggregate, from a bankrupt pharmaceutical company, its jailed former CEO, and two separate D&O insurers. Significantly, he secured payments of cash and stock directly from the bankrupt company, which also required bankruptcy court approval.

As the Firm’s lead litigator in *In re Silvercorp Metals, Inc. Securities Litigation*, No. 1:12-cv-09456 (S.D.N.Y.), Mr. Tuccillo worked closely with mining, accounting, damages, and market efficiency experts to defeat a motion to dismiss and oversee discovery in a securities class action involving a Canadian company with mining operations in China and stock traded on the NYSE. After two mediations, the case was resolved for a \$14 million all-cash fund. In granting final approval of the settlement, Judge Rakoff noted that the case was “unusually complex,” given the technical nature of mining metrics, the need to compare mining standards in Canada, China, and the U.S., and the volume of Chinese-language evidence requiring translation.

Mr. Tuccillo’s prior casework also includes litigation and resolution of complex disputes over roll ups of consulting companies and of commercial real estate interests. At Pomerantz, he was on the multi-firm team that litigated and settled *In re Empire State Realty Trust, Inc. Investor Litig.*, No. 650607/2012 (N.Y. Sup. Ct.), representing investors in public and private commercial real estate interests against the long-term lessees/operators, the Malkin family and the Estate of Leona Helmsley, regarding a proposed consolidation, REIT formation, and IPO centered around New York’s iconic Empire State Building. These efforts achieved broad relief for the class, including a \$55 million cash/securities settlement fund, a restructured deal creating a \$100 million tax benefit, expansive remedial disclosures, and important deal protections.

Before joining Pomerantz, Mr. Tuccillo began his career at a large full-service Boston firm, litigating primarily for corporate clients. He also worked at plaintiff-side firms in Boston and Connecticut, litigating securities, consumer, and wage and hour class actions, as well as complex sale of business disputes. He has negotiated numerous multi-million dollar settlements, through both mediation and direct negotiation. His pro bono work includes securing Social Security benefits for a veteran suffering from non-service-related disabilities.

Mr. Tuccillo has been honored as a 2016 - 2019 Super Lawyers® “Top-Rated Securities Litigation Attorney,” a recognition bestowed on 5% of eligible attorneys in the New York Metro area, after a rigorous process overseen by Thompson Reuters. In 2018, he was recognized by *Lawyer Monthly* as its Lawyer of the Year (U.S.A.) in the Federal Tort & Military category, based on a ten-point assessment including significance of legal matters, case value, legal expertise, innovation in client care, activity level, and peer recognition. Also in 2018, he was a New York honoree in both the National Trial Lawyers’ Class Action Trial Lawyers Association Top 25 and in America’s Top 100 High Stakes Litigators® for New York. Since 2016, he has been a recommended securities litigator by The Legal 500, which evaluates law firms worldwide for cutting edge, innovative work based on client feedback, practitioner interviews, and independent research. Since 2014, he has maintained Martindale-Hubbell’s highest-available AV®

Preeminent™ peer rating, scoring 5.0 out of 5.0 in Securities Law, Securities Class Actions, and Securities Litigation while being described as a “First class, top flight lawyer, especially in complex litigation.”

Mr. Tuccillo graduated from the Georgetown University Law Center in 1999, where he made the Dean’s List. He graduated from Wesleyan University in 1995, and among his various volunteer activities, he currently serves as President of the Wesleyan Lawyers Association.

Mr. Tuccillo is a member of the Bars of the Supreme Court of the United States; the State of New York; the State of Connecticut; the Commonwealth of Massachusetts; the Second and Ninth Circuit Courts of Appeals; and the United States District Courts for the Southern and Eastern District of New York, Connecticut, Massachusetts, the Northern District of Illinois, and the Southern District of Texas. He is regularly admitted to practice *pro hac vice* in state and federal courts nationwide.

Murielle Steven Walsh

Murielle Steven Walsh joined the Firm in 1998 and was elevated to Partner in 2007. She was recognized as a 2018 Lawyer of Distinction, an honor bestowed upon less than 10% of attorneys in any given state.

During her career at Pomerantz, Murielle has prosecuted highly successful securities class action and corporate governance cases. She was one of the lead attorneys litigating *In re Livent Noteholders’ Securities Litigation*, a securities class action in which she obtained a \$36 million judgment against the company’s top officers, a ruling which was upheld by the Second Circuit on appeal. Murielle was also part of the team litigating *EBC I v. Goldman Sachs*, where the Firm obtained a landmark ruling from the New York Court of Appeals, that underwriters may owe fiduciary duties to their issuer clients in the context of a firm-commitment underwriting of an initial public offering.

Murielle currently leads the high-profile securities class action against Wynn Resorts Ltd., in which Pomerantz is lead counsel. The litigation arises from the company’s concealment of a long-running pattern of sexual misconduct against Wynn employees by billionaire casino mogul Stephen Wynn, the company’s founder and former Chief Executive Officer. *Ferris v. Wynn Resorts Ltd.*, No. 18-cv-479 (D. Nev.). She also leads the Firm’s ground-breaking litigation arising from the popular Pokémon Go game, in which Pomerantz is lead counsel. Pokémon Go is an “augmented reality” game in which players use their smart phones to “catch” Pokémon in real-world surroundings. GPS coordinates provided by defendants to gamers included directing the public to private property without the owners’ permission, amounting to an alleged mass nuisance. *In re Pokémon Go Nuisance*, No. 3:16-cv-04300 (N.D. Cal.)

Murielle was co-lead counsel in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880 (S.D. Fla.), a securities fraud class action challenging the defendants’ representations that their lending activities were regulatory-compliant, when in fact the company’s key subsidiary engaged in rampant violations of federal consumer financial protection laws, subjecting it to various government investigations and a pending enforcement action by the CFPB and FTC. In 2016, the Firm obtained a \$24 million settlement on behalf of the class. She is also co-lead counsel in *Robb v. Fitbit Inc.*, No. 16-cv-00151 (N.D. Cal.), a securities class action alleging that the defendants misrepresented that their key product delivered “highly accurate” heart rate readings when in fact their technology did not consistently deliver accurate readings during exercise and its inaccuracy posed serious health risks to

users of Fitbit's products. The Firm obtained a \$33 million settlement on behalf of the investor class in this action.

In 2018 Murielle, along with then-Senior Partner Jeremy Lieberman, achieved a \$3,300,000 settlement for the Class in the Firm's case against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.*, No. 2:13-cv-07466 (C.D. Cal.).

Murielle serves as a member and on the Executive Committee of the Board of Trustees of the non-profit organization Court Appointed Special Advocates for Children ("CASA") of Monmouth County. She also serves on the Honorary Steering Committee of Equal Rights Advocates ("ERA"), which focuses on and discusses specific issues that women face in the legal profession. ERA is an organization that protects and expands economic and educational access and opportunities for women and girls. In the past, Murielle served as a member of the editorial board for Class Action Reports, a Solicitor for the Legal Aid Associates Campaign, and has been involved in political asylum work with the Association of the Bar of the City of New York.

Murielle serves on the Firm's Anti-Harassment and Discrimination Committee.

Murielle graduated *cum laude* from New York Law School in 1996, where she was the recipient of the Irving Mariash Scholarship. During law school, Murielle interned with the Kings County District Attorney and worked within the mergers and acquisitions group of Sullivan & Cromwell.

Murielle is admitted to practice in New York, the United States District Court for the Southern District of New York, the United States Court of Appeals for the Second Circuit and the United States Court of Appeals for the Sixth Circuit.

Tamar A. Weinrib

Tamar A. Weinrib joined Pomerantz in early 2008. She was Of Counsel to the Firm from 2014 through 2018 and was elevated to Partner in 2019. Tamar was named a 2018 Rising Star under 40 years of age by Law360, a prestigious honor awarded to a select few "top litigators and dealmakers practicing at a level usually seen from veteran attorneys." Tamar has been recognized by Super Lawyers® as a New York Metro Rising Star every year from 2014 through 2018.

In 2019, Tamar and Managing Partner Jeremy Lieberman achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investor clients about the extent of the banking giant's use of so-called "dark pool" trading systems. This case turned on the duty of integrity owed by Barclays to its clients. In November 2016, Tamar and Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the

evidence rather than merely meeting a burden of production. In 2018, Tamar successfully opposed Defendants' petition to the Supreme Court for a writ of certiorari.

Tamar was the attorney responsible for the litigation of *In re Delcath Systems, Inc. Securities Litigation*, in which Pomerantz achieved a settlement of \$8,500,000 for the Class. She successfully argued before the Second Circuit in *In re China North East Petroleum Securities Litigation*, to reverse the district court's dismissal of the defendants on scienter grounds. In addition to her involvement in several other securities matters pending nationwide, Tamar is the Pomerantz attorney responsible for the litigation of *KB Partners I, L.P. v. Pain Therapeutics, Inc.*, a securities fraud case for which Judge Sparks of the Western District of Texas granted final approval for a settlement of up to \$8,500,000 for class members.

Before coming to Pomerantz, Tamar had over three years of experience as a litigation associate in the New York office of Clifford Chance US LLP, where she focused on complex commercial litigation. Tamar has successfully tried pro bono cases, including two criminal appeals and a housing dispute filed with the Human Rights Commission.

Tamar graduated from Fordham University School of Law in 2004 and, while there, won awards for successfully competing in and coaching Moot Court competitions.

Tamar is admitted to practice in New York, the United States District Courts for the Southern and Eastern Districts of New York, and the United States Courts of Appeals for the Second, Third, Fourth, and Ninth Circuits.

Michael J. Wernke

Michael J. Wernke joined Pomerantz as Of Counsel in 2014 and was elevated to Partner in 2015.

Michael led the litigation in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y.), in which the Firm, as Lead Counsel, recently achieved a \$110 million settlement for the class, pending court approval. This high-profile securities class action alleges that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with "defeat device" software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In December 2018, Michael, along with Pomerantz Managing Partner Jeremy A. Lieberman, secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely watched multi-district litigation, which concerns the LIBOR rigging scandal.

In October 2018, Michael secured a \$15 million settlement in *In re Symbol Technologies, Inc. Securities Litigation*, No. 2:05-cv-03923-DRH-AKT (E.D.N.Y.), a securities class action that alleges that, following an accounting fraud by prior management, Symbol's management misled investors about state of its internal controls and the Company's ability to forecast revenues.

He was Lead Counsel in *Thomas v. Magnachip Semiconductor Corp.*, in which he achieved a \$23.5 million partial settlement with certain defendants, securing the settlement despite an ongoing investigation by the Securities and Exchange Commission and shareholder derivative actions. He played a leading role in *In re Lumber Liquidators, Inc. Securities Litigation*, in which Pomerantz, as Co-Lead Counsel, achieved a settlement of \$26 million in cash and 1,000,000 shares of Lumber Liquidators common stock for the Class. Michael also secured a \$7 million settlement (over 30% of the likely recoverable damages) in the securities class action *Todd v. STAAR Surgical Company, et. al.*, No. 14-cv-05263-MWF-RZ (C.D. Cal.), which alleged that STAAR concealed from investors violations of FDA regulations that threatened the approval of STAAR's long awaited new product.

In the securities class action *In re Atossa Genetics, Inc. Securities Litigation*, No. 13-cv-01836-RSM (W.D. Wash.), Michael secured a decision by the Ninth Circuit Court of Appeals that reversed the district court's dismissal of the complaint. The Ninth Circuit held that the CEO's public statements that the company's flagship product had been approved by the FDA were misleading despite the fact that the company's previously filed registration statement stated that that the product did not, at that time, require FDA approval.

Michael is also Lead Counsel in the securities class action *Zwick Partners, LP v. Quorum Health Corp., et al.*, No. 3:16-cv-2475, which alleges that defendants misrepresented to investors the poor prospects of hospitals that the parent company spun-off into a stand-alone company. In defeating the defendants' motions to dismiss the complaint, Michael successfully argued that company from which Quorum was spun-off was a "maker" of the false statements even though all the alleged false statements concerned only Quorum's financials and the class involved only purchasers of Quorum's common stock.

During the nine years prior to coming to Pomerantz, Michael was a litigator with Cahill Gordon & Reindel LLP, with his primary focus in the securities defense arena, where he represented multinational financial institutions and corporations, playing key roles in two of only a handful of securities class actions to go to jury verdict since the passage of the PSLRA.

In 2014 and 2015, Michael was voted by his peers as a Super Lawyers® New York Metro Rising Star.

Michael received his J.D. from Harvard Law School in 2004. He also holds a B.S. in Mathematics and a B.A. in Political Science from Ohio State University, where he graduated *summa cum laude*.

He serves on the Firm's Anti-Harassment and Discrimination Committee.

Michael is admitted to practice in the State of New York and the United States District Court for the Southern District of New York.

In 1992, Senior Judge Milton Pollack of the Southern District of New York appointed Stan to the Executive Committee of counsel charged with allocating to claimants hundreds of millions of dollars obtained in settlements with Drexel Burnham & Co. and Michael Milken.

Many courts have acknowledged the high quality of legal representation provided to investors by Stan. In *Gartenberg v. Merrill Lynch Asset Management, Inc.*, No. 79 Civ. 3123 (S.D.N.Y.), where Stan was lead trial counsel for plaintiff, Judge Pollack noted at the completion of the trial:

[I] can fairly say, having remained abreast of the law on the factual and legal matters that have been presented, that I know of no case that has been better presented so as to give the Court an opportunity to reach a determination, for which the court thanks you.

Stan was also the lead trial attorney in *Rauch v. Bilzerian* (N.J. Super. Ct.) (directors owed the same duty of loyalty to preferred shareholders as common shareholders in a corporate takeover), where the court described the Pomerantz team as “exceptionally competent counsel.” He headed the six week trial on liability in *Walsh v. historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.
